South East London Integrated Medicines Optimisation Committee
(SEL IMOC)

Withdrawal of the SEL Guideline for the Treatment of Chronic Constipation in Adults (≥18 Years Of Age) in Primary Care (originally published April 2021)

The SEL guideline for the Treatment of Chronic Constipation in Adults has been retired and withdrawn due to the availability of national resources to guide treatment. This includes a National Institute for Health and Care Excellence Clinical Knowledge Summary (NICE CKS) topic on chronic constipation.

The NICE CKS topic for constipation can be accessed here
