Withdrawal of the SEL Irritable Bowel Syndrome (IBS) Pathway for Adults (originally published December 2017)

The SEL IBS Pathway for Adults has been retired and withdrawn due to the availability of national resources to guide treatment. These include a guideline from the National Institute for Health and Care Excellence (NICE) and a NICE Clinical Knowledge Summaries (CKS) topic on IBS.

The NICE CKS topic for IBS can be accessed here
The NICE Clinical Guideline 61 on the diagnosis and management of IBS can be accessed here
