Withdrawal of the SEL Pharmacological Management of Adult Non-Cancer Chronic Pain in Primary Care pathway (originally published March 2019)

The SEL Pharmacological Management of Adult Non-Cancer Chronic Pain in Primary Care pathway has been retired and withdrawn due to the availability of national resources to guide treatment. These include a guideline from the National Institute for Health and Care Excellence (NICE), a NICE Clinical Knowledge Summaries (CKS) topic, and Faculty of Pain Medicine guidelines.

The NICE CKS topic for chronic pain can be accessed here
The NICE Clinical Guideline 193 on the assessment and management of chronic pain can be accessed here
The Faculty of Pain Medicine guidelines can be accessed here
