Withdrawal of the SEL Pharmacological Management of Neuropathic Pain in Adults in Primary Care Guideline (originally published June 2022)

The SEL Pharmacological Management of Neuropathic Pain in Adults in Primary Care Guideline has been retired and withdrawn due to the availability of national resources to guide treatment. These include a guideline from the National Institute for Health and Care Excellence (NICE), a NICE Clinical Knowledge Summaries (CKS) topic, and Faculty of Pain Medicine guidelines.

The NICE CKS topic for neuropathic pain can be accessed here
The NICE Clinical Guideline 173 on the pharmacological management of neuropathic pain in non-specialist settings can be accessed here
The Faculty of Pain Medicine guidelines can be accessed here
