

South East London Area Prescribing Committee

**Withdrawal of interim position statement number 004
(last issued July 2018):**

FreeStyle Libre[®] Flash Glucose Monitoring system

This interim position statement has been withdrawn as the South East London Area Prescribing Committee has issued final guidance on prescribing of FreeStyle Libre[®] sensors for eligible patients on the NHS.

The final guidance is outlined in the SELAPC [Position Statement 012](#)
