

South East London Area Prescribing Committee (SEL APC)

**Withdrawal of position statement number 012
(issued November 2018):**

FreeStyle Libre® Flash Glucose Monitoring system

This position statement has been withdrawn and replaced by SEL APC Position Statement number 018.

The South East London Area Prescribing Committee has issued updated guidance on prescribing of flash glucose monitoring sensors for eligible patients on the NHS. Local guidance has been updated following publication of national criteria for the use of flash glucose monitoring by NHS England.

The updated guidance is outlined in the [SEL APC Position Statement 018](#).
