

**South East London Area Prescribing Committee**

**Withdrawal of formulary recommendation number 017  
(issued November 2014):**

**Vedolizumab (Entyvio®) intravenous infusion for the treatment of  
Crohn's disease (CD) in adults**

This formulary recommendation has been withdrawn from local use as it has been superseded by NICE Technology Appraisal Guidance (TAG) number 352: *Vedolizumab for treating moderately to severely active Crohn's disease after prior therapy.*

The NICE TAG (published August 2015) can be accessed [here](#).

The local SEL IBD pathways can be accessed [here](#)
