

**South East London Area Prescribing Committee**

**Withdrawal of formulary recommendation number 018  
(issued November 2014):  
Tadalafil (Cialis®) for the treatment of erectile dysfunction post  
prostatectomy**

This formulary recommendation has been withdrawn as tadalafil is no longer included in the [SEL Joint Medicines Formulary](#) for this indication.

Please contact [contactus@selondonics.nhs.uk](mailto:contactus@selondonics.nhs.uk) for further information.
