Important information about Clover Health Centre

Dear

If you need help to read this letter, please
phone Healthwatch Greenwich on **0790
3685 534**.

This letter has been sent to you because
you are a patient at Clover Health
Centre, and you are on the learning
disability register.

We want to let you know that the Clover Health Centre is going to close on Friday 29th September, and it will not reopen.

The Health Centre is closing because their contract with the NHS is now finished.

After Friday 29th September, you will not be able to go and see the doctors at the Clover Health Centre.

You must register with a new doctor before 30th September.

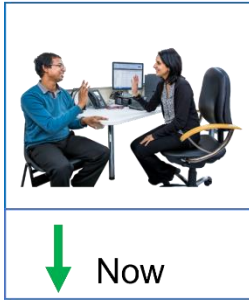

You might be worried about the Health Centre closing.

There are lots of other doctor surgeries that have space for new patients.

Healthwatch can help you and answer your questions. Phone **0790 3685 534**

What you need to do now

1. Choose a new doctor surgery where you live
2. Go into the surgery or phone them
3. Ask to be a new patient
4. Ask to go on the learning disability register

Yours sincerely,

M. Howdon
