Responsible to:	One Bromley A&E Delivery Board
Line Management:	Senior Clinical Lead for One Bromley
Location:	Bromley and SE London
Tenure:	One year, potential to extend

Role Summary

The Clinical/Professional Lead for Urgent and Unplanned Care is a key role in leading the One Bromley system to deliver the urgent care requirements of the NHS Long term Plan, and to ensure safe and effect urgent care services are in place for Bromley. A key aim of the role is to help design and implement services that improve health and wellbeing, reduce the need for unplanned care and support relevant care pathways.

Main responsibilities

The individual will need to work in partnership with other clinical and professional leaders and relevant managers in the Bromley system and represent Bromley at SEL level and beyond if required. Working with partners in south east London will be part of the remit. Essential components of the role will include:

- Clinical input to the A&E Delivery Board
- Inform and support local implementation of national requirements
- Support initiative such as the Hospital@Home work and virtual wards
- Support implementation of SDEC pathways and Community Services' Urgent Response (UCR) offer
- Input to PCN developments that focus on meeting urgent and unplanned care needs

The role will provide challenge and clinical leadership for pathway developments, ensuring a robust interface between primary care, community, and acute services; operationally and from an IT and process perspective.

The following are the key requirements identified for this role and the approaches needed for them.

Contacts and relationships

- Positively engage with local agencies and act as advocate for Bromley
 - Actively look for potential opportunities with key contacts to improve overall service delivery and performance
 - Connect and build trust with colleagues and patients across traditional boundaries - developing strong networks and relationships that work in service of patients over organisations, places, or professional groups.

Clinical/service decision-making

- Make sound operational and clinical judgements that ensure safe and effective service provision

- Listen with compassion to the needs, hopes and challenges of those we work with and serve, using this understanding to actively involve others in the decisions that affect their lives.
- Support the borough lead to gather, verify and assess all appropriate and available information to gain an accurate understanding of the situation.

Service delivery and outcomes

- Ensure that the needs of service users and their carers are at the core of the way One Bromley and its constituent partner organisations deliver services
- Catalyse and embed ways to test and share new and innovative ideas and approaches that improve how we design and deliver care to our patients and population
- Support organisations and the LCP core team to ensure that services meet all relevant quality standards, specifically CQC, ICS and all relevant NICE guidelines
- Support the effective and efficient deployment of resources to achieve agreed outcomes and targets
- Work as a team member developing and maintaining effective working relationships
- Keep up to date with relevant policies and procedures

Creativity and innovation

- Encourage and test new ways of working together, collaborating, and learning from each other to achieve our collective ambition to improve the health and wellbeing of our population
- Seek out and embrace different ideas, perspectives, and challenges - being able to adapt and change course by continually learning from others around them.
- Take an innovative and creative approach to solving problems
- Consider innovation in the workplace an ongoing responsibility and welcome change as an integral part of both individual and organisation development
- Act as a positive role model for innovation and a facilitator for change

Planning and organising

- Develops practical and realistic plans to achieve outcomes/objectives
- Consider wider implications, with regard to skills and resources, of achieving plans/outcomes/objectives
- Ensure appropriate resources and levels of capability are in place to deliver priorities
- Take appropriate clinical/ professional responsibility for delivery of plans, outcomes and objectives which may involve coordinating and organising others

Communication

- Actively contribute to a culture of positive communication
- Support the borough lead to deliver presentations and training internally to staff and externally to partners/ agencies, where appropriate
- Support the borough lead with CQC and other inspections, service developments and other relevant tasks

Financial Management

- Effectively manage resources within your control.

Personal development

- Continually develop own professional knowledge and practise with respect to service speciality
- Maintain professional registration (e.g. GMC, NMC, etc.)

Equality and Diversity

- Act in ways that support equality and value diversity
- Identify and seek to mitigate the negative impact of health inequalities in local services
- Help to develop and maintain an organisational culture that supports equality and diversity.
