

Engagement Assurance Committee Cover sheet

Title	Engagement to inform strategic commissioning					
Meeting date	8 July 2026	Agenda item Number	5	Paper Enclosure Ref	E	
Author	Rosemary Watts, Assistant Director of Engagement					
Executive lead	Ranjeet Kaile, Director of Communications and Engagement					
Paper is for:	Assurance		Decision		Information	X
Purpose of paper	The paper provides a high level overview of what is required in terms of engagement and insight to support the strategic commissioning role of ICBs.					
Summary of main points	The paper highlights the main points from the following publications: - Model ICB Blueprint July 2025 - Fit for the Futures: 10 year health plan for England published - Review of patient safety across the health and care landscape (the Dash review) - Strategic commissioning framework published					
Potential conflicts of Interest	None					
Sharing and confidentiality	For sharing					
Relevant to these boroughs	Bexely	X	Bromely	X	Greenwich	X
	Lambeth	X	Lewisham	X	Southwark	X
Equalities Impact	The paper noted that the Model ICB Blueprint states that ICBs will need to ensure that resources are deployed to reach seldom heard and underserved people and that the 10 year plan highlights a stronger focus on inequalities.					
Financial Impact	N/A					
Public Patient Engagement:	The paper outlines the importance of using insight from local people and people and communities and to co-design with them as part of the strategic commissioning approach.					
Outline timelines of engagement						
Outline key engagement mechanisms used						

Outline engagement with diverse communities and / or people with lived experience	
Outline key themes from insight gained	
Outline how findings have influenced decision making	
Outline how feedback to participants has taken place	
Committee engagement	SEL Engagement Practitioners' Network, March 2026
Recommendation	The paper is for information.
