**There is very limited parking available at University Hospital Lewisham.** You can see the location of the car parks on the [maps page](#).

## **Parking charges**

Standard charges for patient and visitor parking are:

**£2.50 for the first hour and £1.30 for every 30 minutes after that.**

## **How to pay for parking**

Drivers can pay using a mobile phone-based app – PayByPhone – which enables you to extend your parking time from wherever you are.

Alternatively, you can pay at the machine on leaving – simply enter your registration and it will tell you how much to pay.

Please ensure you park within the marked out bays – any vehicle not doing this will receive a parking charge notice (PCN).

## **Free parking for Blue Badge holders**

Blue Badge holders will be able to park for four hours in the disabled bays. Each time you park at the hospital you must register at one of the locations below. You can do this when you arrive, when you leave, or any time between.

- Main reception
- Phlebotomy (Suite 1) reception
- Blue Zone (physiotherapy) reception
- Main stores
- The renal dialysis unit
- Riverside reception

Please ensure that your Blue Badge is clearly displayed in the windscreen. If the Blue Badge bays are full, you can park in the public car park, but you must always display a Blue Badge in the windscreen and register at one of our receptions.

## **Drop off bays**

If you need to be dropped off or collected, there are drop-off areas signposted with specific terms and conditions of parking. Make sure you read and understand the signs. The driver must stay with the vehicle at all times when dropping off or collecting.

## **Ambulance bays and service roads**

If any unauthorised vehicle enters these areas and does not leave within five minutes, the system will generate an automatic PCN.
