"In Bromley, there is a lot invested in the staff and their wellbeing."

Nokuthula Marks works for Oxleas NHS Foundation Trust as a Practice Development Nurse

"One of my favourite things about Bromley are all the amenities, including easy transport to central London. It's also good to be able to drive to so many other neighbouring areas."

Victor Sánchez-Castrillón works at the Princess Royal University Hospital, run by King's College Hospital NHS Foundation Trust as Senior Head of Nursing for Surgery, Theatres, Anaesthetics and Endoscopy

"I love working here, with friendly colleagues, immersed in a community where you can watch families grow."

Dr Presheena Howell works in primary care as a GP
