Video Interpreting: how to log in from a PC or Laptop

Open Google Chrome browser and go to: <u>https://www.weyivideo.com/client/Login.aspx?Company=dalanguages</u>

3

6

1

Log in with your unique username and password (This will be provided by your DA account manager)

Once you have logged in you will be presented with the following home screen

To upload the document to translate, click on the "Add another source file" button. Then, just drag and drop your file into the box to attach it.

Select the language you require help with from the drop-down list

I need help with Spanish Spanish Acehnese Acholi Afghani Afgilanan	×		
Spanish Acehnese Acholi Afghani		I need help with	
Spanish Acehnese Acholi Afghani		Spanish	*
Spanish Acehnese Acholi Afghani			
Acehnese Acholi Afghani		Spanish	*
Acholi Afghani		Acehnese	
Afghani		Acholi	- B
Afrikaana		Afghani	
AITIKAATIS		Afrikaans	.

You can also type in the language you require help with, and the application will return results

If you require a specific gender for your appointment, click on Additional Options. By default, **No Preference** is selected, choose the appropriate action and then click on **Next**
