

Integrated Care Board
Planning and Finance Committee
Terms of Reference

20 April 2023

1. Introduction

- 1.1. The NHS South East London Integrated Care Board (ICB) Planning and Finance Committee [the “committee”] is established as a committee of the ICB.
- 1.2. These Terms of Reference set out the role, responsibilities, membership, and reporting arrangements of the committee under its terms of delegation from the ICB Board. The committee’s powers relate specifically to these terms of reference, which can only be amended by the ICB Board.
- 1.3. All members of staff and members of the ICB will be expected to co-operate with any requests made by the Planning and Finance Committee.

2. Purpose

- 2.1. The committee is responsible for overseeing and coordinating the Integrated Care Board’s planning processes, across strategic and operational planning, including for services that are delegated to the ICB by NHS England. The committee is also responsible for supporting wider system level strategic planning undertaken by the south east London Integrated Care Partnership (ICP). This planning responsibility includes convening the system to secure the delivery of inclusive, collaborative and fit for purpose planning processes and approaches as well as agreement and delivery of effective and robust planning outcomes.
- 2.2. The committee is responsible for overseeing and coordinating the ICB’s financial planning process, inclusive of recovery planning. It will ensure that financial plans are driven by agreed strategic and operational outcome objectives, ensure planning processes and outputs are aligned across the partnership, and that compliance with national financial guidance is achieved.
- 2.3. The committee is responsible for ensuring planning processes secure appropriate input from ICB and ICP stakeholders at organisational, Local Care Partnership, provider collaborative, programme and enabler board level to ensure comprehensive plans that represent a coherent and joined up whole.

- 2.4. The committee will monitor and oversee the delivery of commitments across the key planning domains and ensure a collective understanding of delivery challenges, issues and variation. This will include oversight of overarching delivery and that secured through its local care partnerships, provider collaboratives, programme and enabler boards, alongside ensuring that where there is variance from plan or delivery challenges there is a timely development of mitigation plans.
- 2.5. The committee will review and recommend policies and procedures for the ICB, with a specific focus on those related to the ICB's planning and finance functions.
- 2.6. The committee is responsible for overseeing the work relating to Information Governance

3. Duties

 - Secure NHS planning guidance priorities and objectives.
 - Effectively join up operational delivery, activity, workforce, and finance plans, to ensure a feasible and coherent whole.
 - Optimise collaborative and collective approaches, pathway transformation, productivity and efficiency and risk and gain share to underpin and support delivery

Financial planning

- 3.4. The committee is further responsible for setting the financial framework for the ICB and overseeing the financial planning process including:
- Developing the ICB financial information systems and processes to support effective financial planning in line with the local strategy and national guidance.
 - Developing a Medium-Term Financial Strategy (MTFS) that sits alongside the ICB strategic plans, acting as an enabler to the wider plan whilst also providing the underpinning financial framework.
 - The alignment of wider financial planning to ensure that capital, revenue and estates funding and plans are demonstrably driven by our strategic and operational outcome objectives.
 - The development of options and approaches to the allocation of ICB resource that support the ICB in addressing inequalities in investment and outcomes and considers health and social inequalities.
 - Advising on and overseeing the process regarding the deployment of system-wide transformation funding.
 - Working with partners to identify and allocate resources where appropriate to address finance and performance related issues that may arise.
 - The development of a financial recovery plan that is aligned to strategic and operational efficiency and transformation opportunities and supports the ICB in moving to a position of underlying financial balance.
 - The development of annual financial plans that support the delivery of the ICB's operational plans inclusive of annual financial targets, the ICB's MTFS and agreed allocation and budget setting approaches
 - To advise the ICB on any changes to NHS and non-NHS funding regimes and consider how the funding available to the ICB can be best used.
 - To ensure appropriate information is available to manage financial issues, risks and opportunities across the ICB.

Programme and Enabler Boards, Local Care Partnerships and Provider Collaboratives

- 3.5. The committee will be responsible for ensuring that the ICB's Programme and Enabler Boards, Local Care Partnerships and Provider Collaboratives play a full role in the development of agreed strategic and operational plans, including:
- Ensuring the priorities, objectives and opportunities arising from these key parts of our system architecture are considered in the wider planning process.
 - Ensuring that strategic and operational objectives, priorities and outcomes of the ICB are included in agreed work plans for these groups and encompassed in delegation agreements as appropriate.

Planning for and management of NHS England delegations

- 3.6. The committee is responsible for overseeing the safe transfer of delegated functions from NHS England to the Integrated Care Board. This will include providing assurance around and appropriate planning to secure the safe transfer of specialised services (from April 2024) and public health (community pharmacy, optometry and dental services (from April 2023) and the effective discharge of delegated functions thereafter.

4. Delivery monitoring and management

Strategic and operational plans

- 4.1. The committee is responsible for providing oversight and assurance in relation to the delivery of agreed plans including:
- Monitoring the ICB's strategy and operational plan alongside the NHS's contribution to the wider ICP integrated care strategy.
 - Receiving delivery and outcomes updates and reports and ensuring these enable the effective tracking and monitoring of progress alongside the identification of challenges, issues and barriers to delivery.
 - Where remedial action is required, to address variance to plan, the committee will ensure that this is in place and that progress is made in delivering it.
 - Ensuring that issues and lessons learnt are identified and fed in to future planning and refresh processes.

Financial Reporting, Performance and Delivery

- 4.2. The committee is responsible for providing oversight of and assurance in relation to financial reporting, performance and delivery, including:

- The development of a reporting framework for the ICB as a statutory body working with ICS partners to identify and agree common approaches such as financial reporting, estimates and judgements and develop financial and activity modelling.
- To articulate the financial position and financial impacts (both short and long-term) to support decision-making.
- To oversee the management of the system financial target and the ICB's own financial targets, agreeing key outcomes to assess delivery of the ICB financial strategy, monitoring and reporting to the Board overall financial performance against national and local metrics, highlighting areas of concern.
- To ensure system efficiencies are identified and monitored across the ICB with a focus on opportunities at system level
- To ensure financial resources are used in an efficient way to deliver the objectives of the ICB.
- To review exception reports on any material variance from agreed plans including assessing the adequacy of proposed remedial action plans across revenue and capital envelopes.

Programme and Enabler Boards, Local Care Partnerships and Provider Collaboratives

- 4.3. The committee will work with the ICB's Programme and Enabler Boards, Local Care Partnerships and Provider Collaboratives to secure the monitoring information required to track delivery of agreed objectives and plans in line with the ICB's agreed roles and responsibilities and delegation agreements. In addition the Committee will oversee the delivery of functions delegated by NHS England to ICBs with regards specialised services and public health through agreed London wide governance arrangements.
- 4.4. The committee will further work with the Quality and Performance Committee to ensure effective triangulation and join up across the committee's strategic and operational plan monitoring and management and the more detailed delivery oversight that will take place with regards quality and performance through that committee.

Risk identification and management

- 4.5. Approval of the ICB's risk management arrangements where they relate to the specific responsibilities of the Planning and Finance Committee such as financial risk management.
